

# Personal Record Book

For Carver County Veterans and their families

A quick access to crucial information in the event of a veteran's passing

# Planning for the Future

Carver County Veteran Services has designed this packet to aid you and your family in preparing for the future. The information in this packet will help guide you and your loved ones as you plan and ensure your survivors know what benefits might be available to them.

The following benefits are available to Veterans and their families:

## Fort Snelling or other National Cemetery Burials or Memorialization

The VA will provide for a final resting place for eligible Veterans, spouses, and their eligible dependents in a National Cemetery. While not required, pre-need eligibility can be requested to hold a spot for a specific National Cemetery.

## State Veteran Cemeteries

Burial is open to all Veterans discharged from active military service under conditions other than dishonorable. As of 2024 there are cemeteries located in Little Falls, Preston, Duluth, and Redwood Falls.

## Memorial or Burial Flags

A US Flag is provided at no cost, to drape the casket or accompany the urn of a deceased Veteran who served Honorably in the Armed Forces. U.S. Post Offices are the primary issuing point for burial flags. Each family of a decedent is entitled to one flag.

## Government Headstones, Urn, or Markers

The VA can provide a single headstone, urn, columbarium niche cover, or a flat marker for a Veteran's final resting place (private, state, or national cemeteries).

## Cemetery Medallions

The VA can provide a medallion for use on a headstone or other memorial in a private cemetery to signify a decedent's status as a Veteran. Multiple sizes are available.

## Presidential Memorial Certificates

The VA can provide a Presidential Memorial Certificate to the family of the deceased Veteran. This certificate is an engraved paper certificate signed by the sitting president.

## Burial Reimbursement Benefits

The Burial Reimbursement Benefits are paid to a spouse, designated family member, or executor to partially offset the cost of burial expenses, plot costs, and transportation costs for a Veteran's remains. The benefit amount is dependent on whether the Veteran's death was considered service-connected or non-service-connected.

If the Veteran was receiving VA benefits prior to passing and had a spouse of record, these benefits often will be paid automatically to that spouse. Additional benefits, including a plot or interment allowance and transportation allowance may also be payable.

An application for non-service-connected burial benefits must be submitted within two years from the date of death. There is no time limit for a service-connected death.

## Dependency and Indemnity Compensation (DIC)

Dependency and Indemnity Compensation is a monthly tax-free benefit provided to an eligible surviving spouse, dependent child(ren), and/or parent(s) of a Servicemember who died while on active duty, active duty for training, inactive duty training, or to survivors of Veterans who died from a service-connected disability(ies). DIC can be automatically paid to a spouse of record if a Veteran was 100% Permanent and Total (P&T) for 10 years and was married for at least the last 8 years prior to death.

DIC for Spouse or dependent children are not financial dependent; Parents DIC is income-based for parents financially dependent on a Servicemember or Veteran.

## Survivors Pension

A tax-free monetary benefit payment to a low-income, un-remarried surviving spouse, and/or eligible unmarried child(ren) of a deceased wartime Veteran, whose death is not service-related. Certain deductible expenses such as un-reimbursed medical expense may be used to reduce the survivor's countable income.

## Special Monthly Pension Benefits

Certain survivors who are eligible for VA pension benefits and require the aid and attendance of another person or are housebound may be eligible for additional monetary payment. These benefits are in addition to monthly pension, and they are not paid without eligibility to pension.

## Dependent's Educational Assistance Program (DEA)

DEA program offers education and training opportunities to eligible dependents of Veterans who are deemed 100% PT disabled due to service-connected conditions or Servicemembers who died during active military service or Veterans who died because of a service-connected condition.

## Marine Gunnery Sergeant John David Fry Scholarship

Eligible for the child of a Servicemember who died during active duty after September 10, 2001. Provides children with financial support for tuition and fees, books, supplies, and housing. Must use benefit between 18<sup>th</sup> and 33<sup>rd</sup> birthdays.

## Civilian Health and Medical Program of the VA (CHAMPVA)

A benefit that provides reimbursement for some medical expenses to certain surviving spouses or children of deceased Veterans; or spouses/children of Veterans with permanent and total service-connected disabilities who are not eligible for TRICARE. It is an Other Health Insurance and used in conjunction with private health insurance or Medicare.

## Veterans Month of Death Benefits

If a Veteran was receiving VA compensation or pension benefits, the payment for the month of their passing can be paid to the surviving spouse. While typically automatic if the VA knows about the marriage, it can be requested through the Veterans Service Office.

## Home Loans

The VA can help eligible unmarried surviving spouses (or those remarried after reaching age 57) become homeowners. This benefit may be used to help you buy, build, refinance, repair, and retain a home for your own personal occupancy. You must be in receipt of DIC.

## VA Life Insurance

The VA provides valuable life insurance benefits to Veterans, Servicemembers, spouse, or dependent children. To explore the VA options and manage your policy visit [www.va.gov/life-insurance/options-eligibility/](http://www.va.gov/life-insurance/options-eligibility/).

## US National Archives and Records Administration

Veterans and next of kin can obtain free copies of a DD-214 or other service records. SF180 form to request the documents can be found online at the National Archives website or be faxed or mailed in.

In most cases the Carver Veteran Service Office will be able to get a copy of this form for the surviving spouse or next of kin.

## Record of Personal Affairs

Preparing for the passing of a loved one or even oneself can be a difficult and confusing time. Having the information within this book will help the spouse or next of kin with understanding what benefits may be available to assist with the burial and other benefits. Keeping a copy of your DD214 along with this booklet can assist with the decisions that need to be made quickly.

Be sure to keep the following information in a secure location as it will contain personally identifiable information.
